

Learning Objectives

- To identify possible dangers online and learn how to stay safe
- Understand pros and cons of online communication
- Recognising that information on the internet may not be true or correct and know how to check validity
- Know what to do if experiencing bullying online
- Learn how to use an online community safely

**Key facts**

Kapow Primary

Apps require our permission for things such as accessing your location or photo library. It is important to know where these settings are.

Any form of online communication can be misinterpreted. Text may be misread and emojis or memes could be misunderstood.

App

Shortened word for 'Application'. An application (app) - a type of computer program typically found on smart phones and tablets.

Bullying

The deliberate act of harming, intimidating or threatening someone else to cause them physical or emotional distress. Bullying can occur both online and offline.

Health

The mental and physical condition of a person or living thing.

Judgement

To come to a sensible conclusion about a matter or a person.

Memes

An image (photo, video, text) with some (usually humorous) writing added to it.

Online communication

The way people communicate (share and receive information) with each other over a computer network, such as the internet.

Permission

The action of allowing something to happen.

Wellbeing

The state of your mind, health and happiness.

Technology can have both positive and negative effects on our health and wellbeing.

Tell a trusted adult if you are getting bullied online. You can also get help from these places:

Childline
<https://www.childline.org.uk/>

NSPCC
<https://www.nspcc.org.uk/>

A strong password contains:

At least 15 characters
