Scaled-Scores

Each pupil's raw test score has been converted into a score on a scale, either **at**, **above** or **below** 100. A scaled-score of 100 represents the '**national standard**'. A child who achieves the 'national standard' (a score of 100 or more) is judged to have demonstrated sufficient knowledge in the areas assessed by the tests. A child awarded a scaled-score of less than 100 is judged to have not yet met the national standard and performed below expectation for their age.

National averages for the 'scaled-scores' have also been published as follows:

	SJS	National Average
Reading	104	105
GPS	100	105
Maths	102	104

Progress Measures: KS1 – KS2

These are not available for the 2023-2024 and 2024-2025 cohorts due to there being no KS1 baseline data available for these children due to the Covid-19 pandemic disruption.
