

Mexico Class

When I go back to school in September I will be joining Mexico class. My new class teacher will be Mrs Yorke.

This is Mrs Yorke.

When I arrive at school I will enter my classroom through this door.

I will hang up my bag and coat on my peg in the cloakroom. This is also where I can go to use the toilet. This is what the toilet doors look like.

Mexico class will have a mix of Year 5 and Year 6 children in. We will all work on the same topics together.

At break times I will play with my friends on one of the playgrounds. My teacher will tell me which one. This is the back playground and football playground.

This is the front playground. It is close to the car park, so I need to be careful of the cars.

At lunchtime I will go to one of these dining rooms to eat my lunch.

During the day at school, I will learn in my classroom. Some days I will also learn in the hall, outside and other parts of the school building. To go to the school hall, the toilet and lunch I will use this door to my classroom.

At home time I will leave my classroom through this door, onto the playground.

I will make lots of friends and learn lots of fun things this year.
