More about Me

I LOVE being a teacher because I absolutely love learning new things! I love teaching History- especially Space, Tudors and the Victorians!

My favourite day out is a long walk in the Peak District and stopping for a picnic or having a few days at the coast. During the summer months, I love BBQs and having a cup of tea in the garden!

During the summer holidays last year, I adopted three cheeky tabby kittens, who have recently turned one. They keep me on my feet at home by wanting to play, chase and occasionally scratch! They make such a mess at home, and I spend most evenings tidying up after they have knocked something over.

I absolutely love dolphins and have swum with them twice (so far). My favourite dolphin is a bottlenosed dolphin. My holiday destinations depend on where I can swim with dolphins or go on a dolphin watch cruise.
