

Dragon's Edge Class

Meet your *teacher!*

Hi everyone! My name is Mrs Yorke and I'm so excited to be your teacher this year! You'll see in the picture that I'm wearing my dragon top and holding my cat, who I think looks just like Toothless with his big yellow eyes!

I absolutely love reading, am a huge fan of dragons and enjoy discovering new things. I can't wait for all the adventures that await us at Dragon's Edge. We'll learn lots, work as a team and have plenty of fun along the way. It's going to be a fantastic year!

My favourite things

Food: Sushi

Colour: Blue/ anything rainbow!

Animal: Cats (*I have 3!*) but I also love dragons!

Movie: Muppet Christmas Carol

Game: Harry Potter

Book: Hard to choose I love to read!

Sport: Drumfit

Activities: Baking (*especially rainbow cakes with my daughter*) reading, listening to audio books, singing, spending quality time with my family, pottery painting and collecting unusual dragon fidgets. (See the pictures below)

More about Me

I LOVE being a teacher because I get to help children learn and grow every day. My favourite part is seeing those "lightbulb moments" – when something clicks and a big smile appears! I'm especially passionate about science and languages and enjoy sharing these subjects with children through my roles as Science and Spanish Lead.

I also LOVE music. After training as a classical singer for many years, I still enjoy singing and love seeing children grow in confidence and develop their musical talents. Helping children discover their interests and seeing them flourish is one of the things I enjoy most about being a teacher.

I think if I wasn't a teacher I would become a professional cake decorator because I love to get creative and discover new ways to make different kinds of cakes. Here is my latest creation for my daughter's 8th birthday. Minecraft!
