Enrichment Opportunities – Upcoming School Trips

Dear Parents and Carers,

School trips are a great way for children to engage with learning in a different context, offering educational experiences beyond what the classroom can offer. Trips bring children's learning to life, whilst building confidence and independence along the way. They are often the experiences that children remember most vividly and fondly from their time at school.

To help families plan ahead, we will be sending out information about a range of trips over the coming weeks. We hope that by giving plenty of notice, you'll have the time to budget in a way that works best for you and your family. We always do our absolute best to find the most enriching yet cost-effective trips and transport options to make them affordable to everyone.

Here is what we have lined up for the year so far:

Date (When)	Pupils (Who)	Venue (Where)	Purpose (Why)

Individual letters will be sent for each of these trips with the full details.

Year 6 parents have until Friday 27th March to pay in full for their child's place on the July residential to Duke's Barn in Derbyshire. Any places that have not been fully paid for on that date will be offered out to the Year 5 children, who will need to make full payment by Friday 26th June. More information will be sent regarding this on the individual trip letter.

Thank you for your support in making these opportunities possible. We're really looking forward to giving the children lots of exciting experiences to enjoy and remember.

As always, please don't hesitate to speak with your child's class teacher if you have any queries.

Very best wishes,
