

Welcome to Jurassic Park Class...

.. at Sir John Sherbrooke Junior School

Jurassic Park Class

After the summer holidays, I am going to a new school called Sir John Sherbrooke Junior School. There will be some friends there that I know already, and I will meet new friends and grown-ups.

My new class teacher will be
Miss Clow.

When I arrive at school I will go to the front playground and into my classroom through this door in the portacabin.

I will hang up my bag and coat on my peg in the cloakroom.

This is also where I can use the toilet.

This is what the toilet doors look like.

Jurassic Park Class will have a mix of Year 3 and Year 4 children in. We will all work on the same topics together.

At break times I will play with my friends on one of the playgrounds. My teacher will tell me which one.

This is the back playground.

This is the front playground. It is close to the car park, so I need to be careful of the cars.

During the school day, I will learn in my classroom. Some days I will also learn in the hall, outside and other parts of the school building.

To go to the school hall and lunch I will enter the school building using this door.

At lunchtime I will go to one of these dining rooms to eat my lunch.

At home time I will leave my classroom down the ramp, to meet my grown up on the front playground.

I will make new friends and learn lots of fun new things.
