Dear Parents/Guardians,

Re: Y5/6 trip to National Space Centre, Leicester, on Friday 28th November

We are pleased to inform you that we have arranged for Years 5 and 6 to visit the National Space Centre, Leicester, on Friday 28th November. This trip will link well to our science topic in the autumn: Space and our World. The centre is full of exhibitions, galleries, displays, workshops and a fully-immersive planetarium.

More information can be found at www.spacecentre.co.uk

To secure your child's place on this trip, which will cost **£25**, we kindly ask for a **non-refundable deposit of £10 to be paid via Arbor by Friday 17th October. The remaining balance is required by Friday 14th November.** Other than meeting these payment deadlines, it is up to you to decide how you manage the payments, which we hope will help families to budget and spread the cost. No child will be denied the opportunity to access the trip due to non-payment, but we must make each school trip financially viable; we may be forced to cancel if insufficient funds are raised. Please do not hesitate to discuss this with us in confidence should you have any concerns.

If your child is in receipt of Free School Meals and you would like the kitchen to provide them with a packed lunch for the trip, please indicate this on the slip below.

Yours sincerely,

Mr Davey
