

Who has been spotted taking care this week?

Year 3/4 New Zealand Class	<u>Kiyah - Perseverance</u> Kiyah has really tried hard with her English to keep going this week. It has been fantastic to see her be proud of her own writing and want to show it off to others.	<u>Zarah - Compassion</u> Zarah is always such a kind presence in class. She is a model for behaviour and always one to help others tidy up or to help others. Zarah is such a kind member of New Zealand class.
Year 3/4 Spain Class	<u>Leo - Respect</u> Leo has been so respectful and welcoming to me as his new teacher. He has his hand up and answers question but has helped me by being respectful, kind and the very best version of himself.	<u>Karrissa - Focus</u> Karrissa works hard and is always focused on the task. She has impressed me with her artwork and then bringing her creativity into all other subjects. Karrissa is focused but also a calm, kind and hard-working girl.
Year 3/4 Madagascar Class	<u>Taj- Focus</u> Taj has made a fantastic start to the new half term by working hard in writing this week to make sure that her sentences make sense and has included capital letters and full stops independently- well done!	<u>Isaac W- Respect</u> Issac has shown his caring side this week when he fetched Mrs Whitehead and stayed by his friend when he was hurt- what a kind and caring friend!
Year 5/6 Japan Class	<u>Meilah - Compassion</u> For showing wonderful compassion during our school trip. You took the time to support a member of your class, helping them to take part in the activities and making sure they felt included.	<u>Freddie N- Resilience</u> For showing fantastic resilience during our school trip. Even though you felt nervous around the swans, you did not let this stop you from taking part and enjoying the experience.
Year 5/6 Argentina Class	<u>Isabella/ Harry F - Teamwork</u> For demonstrating excellent teamwork during our school trip. You worked brilliantly together, supporting each other and sharing ideas, especially during the pond dipping activity where you successfully discovered a water scorpion.	
Year 5/6 Mexico Class	<u>Minnie-Mae - Responsibility</u> For showing fantastic curiosity during our school trip. You asked thoughtful questions and showed a real interest in learning more about the world around you. You took responsibility for your own learning.	<u>Amelia - Focus</u> For being fully engaged throughout our school trip. You showed great interest by asking questions and getting involved in every activity. Your excitement during the pond dipping task, where you even found a fish, was wonderful to see.

Well done for
taking care!
