

Who has been spotted taking care this week?

Year 3/4 New Zealand Class	<u>Olivia Shaw - Perseverance</u> Olivia has been working really hard to improve her writing. She already has a fantastic use of language, and her writing ideas are brilliant. Olivia has been working to ensure her presentation matches her amazing ideas.	<u>Daniel - Respect</u> Daniel has had an amazing start this week. He has joined in with lessons and really impressed me with his wonderful manners. Well done, Daniel!
Year 3/4 Spain Class	<u>Max - Responsibility</u> Max has shown a fantastic improvement in English. His writing has improved because his attitude to writing has also improved enormously. Max is also trying really hard in maths and has achieved fantastic results!	<u>Seb - Perseverance</u> Seb has tried super hard this week and it has paid off! Seb has tried really hard to learn independently. His writing has been amazing, but the best thing has been Seb's increased confidence in and around class. Well done Seb!
Year 3/4 Madagascar Class	<u>Amelie- Responsibility</u> Amelie has been a very supportive friend this week by helping people on her table if they are stuck- well done!	<u>Jenson- Focus</u> Jenson always tries hard with his work and is proud when adults comment on his beautiful presentation- what a superstar!
Year 5/6 Japan Class	<u>Charlie - Responsibility</u> For helping Mrs Devenish with outdoor learning resources this week!	<u>Phoebe - Resilience</u> You worked extremely hard in PE this week, especially when you competed in the sprint races!
Year 5/6 Argentina Class	<u>Oscar - Respect</u> Huge change in attitude this week, contributing maturely in all lessons. Keep it up, Oscar!	<u>Violet - Focus</u> Thrives in a mixed 5/6 class and sets herself only the highest of targets (won weekly quiz 😊)
Year 5/6 Mexico Class	<u>Esme - Focus</u> For the fantastic confidence and determination you have shown in maths, and for the increasing confidence you have demonstrated when contributing during lessons. It has been a real pleasure to see you sharing your ideas and engaging more actively in class discussions. .	<u>Amelia - Compassion</u> For the exceptional compassion and care you show towards others. You have a wonderful ability to notice when adults or children need support and step in to help without being asked, and your kindness has been noticed by many people both in and out of the classroom.

Well done for taking care!
