Lunchtime Gardening Club

Dear Parents & Guardians,

After the success of our parent's 'Take Care' open afternoon, which helped us to make a good start, and an extremely generous donation towards our school garden from one of our families, which has enabled us to buy some gardening tools, we are very excited to be introducing a **Lunchtime Gardening Club!** This is a fantastic opportunity for our children to get involved in **rebuilding and creating our new school garden** - a space that will include **sensory elements to support children to regulate and a fruit and vegetable garden** for all of our children to enjoy. We hope to even be able to sell some produce then re-invest our takings into the garden!

Watch this space for our hotly anticipated pumpkins next autumn!

🌿 All children are welcome to take part! 🌿

If your child would like to join, please complete the slip below and return it to school. This will help us gauge interest and organise the sessions. If we receive a large number of responses, we will create a **rota** to ensure every child who wants to participate gets a chance. As always, we welcome parent helpers to support our venture if ever you have half an hour to spare here and there!

Thank you for your support - we can't wait to get planting! 🌻👉

Kind Regards,

Miss Jackson

-----**Please Return to School by MONDAY 24th March 2025**-----

Lunchtime Gardening Club Sign-Up

Child's Name: _____ in class: _____ would like to take part in the lunchtime Gardening Club.

Please tick here if you can offer your support with the project ☐
