Friday 17th January 2025

Dear Parents and carers,

I am writing to express my heartfelt thanks for all the generous offers made last term at our open afternoon, to speak to our pupils about your jobs and careers as part of our aspirations initiative. Your willingness to share your time and expertise is greatly appreciated and will have a lasting impact on our children.

At SJS, we are committed to providing our pupils with an inspiring education that helps them to dream big and understand the opportunities available to them in the future. By hearing directly from role models within our own community, children can begin to see the many paths they might take and learn about the skills, dedication, and passion that underpin a variety of careers.

We are currently in the process of discussing the details of this initiative and will be in touch with you soon to discuss the next steps, including scheduling and any specific requirements you may have. Your involvement will play a vital role in enriching our pupils' learning experience and encouraging them to think ambitiously about their futures.

If you were unable to join us at the open afternoon and feel that you could talk to the children about your career, please do let us know. We would love for as many as you as possible to support us with this.

Once again, thank you for your support and for contributing to this (or for nominating other family members, which many of you did!) If you have any questions in the meantime, please do not hesitate to contact me by calling or emailing the school office.

With warm regards,

Rebecca Mee.
