Thank you to our wonderful parents and families

Dear Parents and carers,

After the success of last week's open afternoon, we felt we needed to express our thanks to the parents and other family members who came to join us in celebrating the Take Care work that is happening all around the school. The children were so excited and extremely proud to show you around the school, share their work with you and engage in some fun, reading related activities. The reading pet competition winners will be announced as soon as these have been judged. The staff also found the occasion was such a positive way to talk with parents and families, getting to know you and your children that little bit more. The afternoon was such a success that we are planning to hold a similar, Christmas related, event next half term and would welcome the opportunity to meet more of you again next time.

Thank you also to those who have offered their support to the SJS community by expressing their interest in joining the team as a parent governor, member of the Friends of Sherbrooke PTA, becoming a Midday Supervisor or giving the gift of their time to support the children with gardening, baking, reading and talking with the children about the jobs that you all do to inspire them to have aspirations of their own. We will be in contact with you to take you up on these as soon as possible.

We look forward to welcoming you all into school for our next family event.

Kind regards,

Rebecca Mee.
